

## PE and School Sport Action Plan 2022-2023

**Background -** The primary school sport premium investment goes direct to primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport. Since 2017/18 the amount schools receive each year has doubled.

**Key Indicators -** The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

- 1. The engagement of all pupils in regular physical activity the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- 2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4. Broader experience of a range of sports and activities offered to all pupils
- 5. Increased participation in competitive sport

**Funding** - Individual schools will receive circa £16K –17K per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
St. Luke's C of E Primary School	Our areas for further development include:
<ul> <li>The P.E curriculum is designed to inspire a lifelong curiosity and participation in physical activity and sport, instilling resilience and promoting a healthy lifestyle.</li> <li>Our key achievements to date include: <ul> <li>We have increased the amount of physical activity undertaken in Key Stage 2 on a daily basis.</li> <li>We have raised awareness of the importance of physical activity in having a healthy lifestyle</li> <li>We have provided a wider variety of competitive sports both in school and afterschool</li> <li>We have created stronger links with local schools</li> <li>Increased links with local sports clubs</li> <li>Maintained a high number of swimmers passing the standard while providing 'extra' sessions for those 'new to swimming'</li> <li>Improved teacher's professional development, skills and confidence in coordinating PE provision as a result of specific training.</li> <li>Introduced a new PE scheme with a more robust approach to planning and teaching – for review.</li> </ul> </li> </ul>	<ul> <li>To increase the amount of physical activity undertaken in Key Stage 1 on a daily basis.</li> <li>To improve communication and understanding of SEND children's abilities when moving year groups.</li> <li>To continue promoting 'healthy lifestyles' to all children – new playground (balance carried forward).</li> <li>To provide further 'resilience' activities within an active setting</li> <li>To create and provide physically active opportunities for targeted groups within school</li> <li>To continue to renew indoor equipment / outdoor equipment / playgrounds to encourage physical activity</li> </ul>

Academic Year:	Total fund allocated:	Date Updated:
2022	(Sport Premium grant allocation £18,940.00 + £3,340 from previous year) TOTAL: £22,280	June 2023
	Sept 22 - £11,048 May 23 - £7,892	

Key Indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary

school children undertake at least 30 minutes of physical activity a day in school **Evidence and Impact Pupil-Impact on pupils** participation **Funding** Intended Actions with impact on children Sustainability and next steps Impact on pupils attainment (INTENT/Implementation) allocated Any additional impact **Whole School Improvement** To increase the amount/variety of PE/physical £100 (100% of children in KS2/ **Next steps/sustainability:** activity undertaken in KS1 and KS2 by creating 100% of children in KS1) Re-established post COVID and space in timetable for 'The Daily Mile' monitored. Awards given for All taking part in an increased amount of runners in celebration assemblies purchasing of H/S PPE (Walkie Talkie/First Aid Kits, prizes etc) in both KS1 and KS2. Try to exercise on a daily basis. Has also developed cross encourage SEN and reception to country within school and take part. On-going. extra-curricular.

'Extra PE' - Pupils continue to have opportunities to experience a wider range of sporting activities and recognise the fun that they can have in developing a healthy lifestyle, including participating in Hunslet Club sessions which are delivered in school. Increased number of pupils in KS2 has meant further costs with extra coach.	£4895	The strong links built with the Hunslet Club mean a large proportion on our children are using the Hunslet Club (amongst others) to continue physical activity outside of school. This has grown again.	Next steps/sustainability: Reestablished post COVID. Increased number of children using Hunslet Club outside of school time. Another new coach will be required next year with increasing number of children in school and expansion. Hunslet Club to attend future celebration assemblies and promote sport in school. On-going.
Updating and renewing equipment for PE lessons and for playtimes across school. Supporting playtime staff, teachers and Hunslet Club in the delivery of PE and ensuring children are more active during playtimes.	£1724	PE equipment requires continual renewal. With the expansion of school and the new PE scheme addition equipment is still required. Playtime equipment is also purchased.	Next steps/sustainability: Continue to audit, update and improve on equipment increasing variety in the process. Further new equipment required with new planning scheme. On-going.
Extra swimming sessions above and beyond normal curriculum for 'new to swimming' children at Quarry House (Leeds) with 2 coaches 1 x weekly.	£1569	Extra swimming increased the number of children leaving primary education and being able to swim.	Next steps/sustainability: Re- established post COVID. Further numbers of 'non-swimmers' next academic year due to COVID. On-

Number of `non going. swimmers' increased due to COVID.
---

## Key Indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps	
Development of PE bulletin display board for children use and for up and coming/previous events to displayed on.	Resources	Having regular celebrations of sports teams in assembly, regular information	Next steps/sustainability: Continue to find interesting ways of celebrating sports achievement. On-going.	
Adding a PE section to School Newsletter detailing events and competitive sports which school is involved in.	Resources	passed via the newsletter and a place where children can go for information on the		
Regular Sports sections in celebration assemblies detailing competitive events involving school teams.	Resources	competitive sports in school has aided the growth and interest in sport in school particularly in cross country and football.		
1)Arrangement of whole school 'resilience' event at Nell Bank Outdoor Education Centre – problem solving and teamwork activities.	£2650	All resilience and healthy lifestyles events were postponed previously due	Next steps/sustainability: all whole school events such as resilience and healthy lifestyles to	

2)Arrangement of end of year celebration inflatable gauntlet for KS2 pupils as a 'resilience' event.	£550	to COVID.	continue. Re-established on return to school and further planned for next academic year. On-going.
3)Arrangement of sports festival for KS1 children – supported by Beeston Broncos/Hunslet Hawks. Children were able to experience and 'Try Out' a variety of sports in a fun and engaging celebration.	£150		

Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps
CPD training for under-confident teaching staff to include gymnastics, dance and ball skills by teaching alongside Hunslet Club in lesson time and during 'Extra PE'. As well as this, CPD training was provided for all staff with Hunslet Club during staff meetings.	No extra cost (see Hunslet Club costs in Key Indictor 1)	All teachers have been able to deliver lessons working alongside a member of staff from the Hunslet Club who specialises in that activity. This has increased the teachers' confidence and teaching quality in a given area while also providing new ideas in terms of games and further improving links with a	Next steps/sustainability: Reestablished post COVID on return to school in next academic year. On-going.

		local sports provider.	
Membership of AFPE	£178 (annually)	Membership of AFPE provides PE Coordinator with increased knowledge and understanding on up to date PE in education settings.	Next steps/sustainability: Help/guidance required for PE Coordinator with the expansion of school and the opening of the extended provision in new academic year. On-going.
Introduction of uniform PE scheme to aid and support teaching/assessment	£300 (annually)	Introduction of planning scheme to provide uniform planning and increase confident in teaching. Assessment tool helps to provide a more robust procedure in the development of PE.	Next steps/sustainability: Purchased, introduced and monitored. Teachers are encouraged by new planning and assessment tool. Further monitoring in new academic year. On-going.

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils

Rey maicaioi 4. bioduci exp		ge of sports and activities offere	
Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps
Year 5 residential/outdoor pursuit's trip to Marrick Priory in the Yorkshire Dales offering wider variety of PE.	£4000	All children in school have the opportunity to attend this trip when they reach year 5 - (78% of children attended this year). Here they can experience the outdoors, a variety of activities school is unable to provide 'in school' and aids the resilience and growth mind set required for transitioning to year 6 and secondary education. Part paid for through Sport Premium.	Next steps/sustainability: Reestablished after COVID. Annual trip. On-going.
Provide wider range of curriculum/non-curriculum sports in the form of after school clubs. This includes roller-skating, performing arts/street, majorettes, football and ballet.	No extra cost	Consultation with children has allowed us to target children and sports not currently offered through the curriculum or by Hunslet Club during 'extra PE. These mainly take place afterschool.	Next steps/sustainability: All clubs re-established post COVID. Re-evaluated and updated in next academic year. School to continue to consult children on variety of clubs in the future. Ongoing.

Targeted interventions for under-confident children in PE using the Hunslet Club.	No extra cost (see Hunslet Club costs in Key Indictor 1)	PE Coordinator to identify children who are less engaged/under confident in PE and use Hunslet Club to increase target groups participation.	Next steps/sustainability: This needs to be further developed and continue into next academic year with a more targeted approach. On-going.
Cycling proficiency training for Reception and years 1/5/6 children to increase the number of children using bikes as a mode of travel to school. Leeds City Council led.	No extra cost	LCC training for children on the roads. 100% of year 6 children undertook specific training/introduction to cycling.	Next steps/sustainability: Cycling proficiency rescheduled to new academic year and to undertake annually. On-going.

key indicator 3 . increased participation in competitive sport				
Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps	
Continue to increase the variety/quantity of intra and inter school competitive sports.	No extra cost	School now takes part in a range of competitive events but we will be trying to increase the variety further next academic year.	<b>Next steps/sustainability:</b> Reestablished on return to school post COVID. On-going.	
Membership to LSSA (Leeds School Sports Association) this includes Cross Country League and Leeds School Football Leagues (year 5/6, year 3/4 and girls only)	£160	St Luke's now has 3 different football teams playing in leagues/cup competitions across Leeds. A number of year 5/6 children have taken part in football trials for district teams or represent Leeds United at junior level.  The introduction of the 'daily mile' has increased the desire for children to run in the LSSA cross country league. Where St Luke's performed well finishing 2 <sup>nd</sup> overall over the course of the season. Children also represented	Next steps/sustainability: Reestablished on return to school post COVID. On-going.	

		Leeds in the Yorkshire finals, with individuals progressing to the national finals.	
Transport – St Luke's pays into a share of a minibus which we use for competitions, competitive sports, extra swimming etc. Other transport companies are also used for bigger 'trips and events'.	£1050	Transport will always be required for taking part in competitive sports etc. Part paid for through Sport Premium.	Next steps/sustainability: Reestablished on return to school post COVID. On-going.

Total £17,326 (4,954 - carrying forward)

## **Swimming Achievements**

Schools are required to publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements. Below are the achievements of St Luke's C of E Primary school for 2022 – 2023 academic year.

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	62%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	62%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes
